- Arts in Education
- Educational Innovations and Outcomes
- Psychological Foundations of Learning
- Business and Leadership in Education
- Language, Culture, and Identity
- Business Languages
- Technology Management & Education
- Addiction
- Positive Psychology
- Aging

The Asia Pacific School Psychology Association (APSPA)

APSPA was launched during the First International Conference on School Psychology held at Hotel Grand Seasons, Kuala Lumpur, Malaysia on 11th January 2019 by Dr. Panch. Ramalingam. The members of the core committee unanimously resolved to form office bearers of the Association with available school psychologists from different countries for the promotion of school psychology services in the Asia Pacific region. This will cater to the needs of promotion of common school psychology services in the Asia Pacific region especially in the area of mental health and well-being.
